IBL

www.icbaseball.com

Let's play ball!

Welcome to season 88 of Intercounty Baseball!

The champion Barrie Baycats kick off the new season seeking to defend their first League Championship. The League will play our annual All-Star Classic in Barrie on Saturday July 8, 2006 in the afternoon. This year, the Home Run Derby will return, along with other special events throughout the weekend that will add a new dimension of interest for the fans.

I trust that this kit will provide an up to date picture of our teams as we launch this new season.

Enclosed also is a League Pass to all games in the 2006 season, including all playoff games.

Be assured each night we will provide a summary of each game within minutes of its conclusion to facilitate your role in delivering the game to our fans.

Thanks for your ongoing commitment to cover 'real live baseball'. See you at the park!

Regards,

Jim Rooney
Commissioner

The Intercounty Baseball League features nine southern Ontario teams that compete in a 36-game regular season that begins in May and concludes with the playoffs for the Jack and Lynne Dominico Trophy in August.

The IBL welcomed more than 47,000 fans into its ball parks during the 2005 season.

The IBL first started competition in 1919 and is celebrating its 88th consecutive season of senior county baseball in Ontario.

“The 2005 season was an incredible journey. It is very difficult to repeat as champs, but with most of our roster in place for 2006, the Baycats will again put a very competitive team on the field. Once again, our pitching will be the key as to how far we can go in the IBL.”

- David Mills, President

"Each year, the IBL continues to get more and more competitive. From what I've seen and heard, there are a number of teams capable of winning the championship this year. We hope to be a part of that group, but as they say, the game is played between the white lines, not on paper, as witnessed the past couple of years. Our lineup this year has been augmented with some very talented and experienced players which has Field Manager Steve Charles very optimistic about the 2006 season."

- Len Hannam, Assistant General Manager

“We are really looking forward to rebounding this year and taking another run at the IBL championship. We have improved our lineup with big bats Kevin Treichel and Kyle Leon in the middle of the order. We’re also glad to have our pitching staff healthy and throwing the ball well. After the injuries we suffered late last year, we are looking forward to having a healthy lineup. We’re looking forward to a great season.”

"This season marks the first season for me as General Manager. I am very excited at the opportunity that the owners of the club have given me. I believe that we have put together a team that is to be reckoned with this season and feel that the club will do extremely well. We have improved all aspects of our game from hitting to defence to pitching. After our first year, which we felt was quite successful, we have gone ahead and secured several top-notch ballplayers.

In addition, we have put together a number of marketing initiatives that will assist in bringing out the fans. The roster this year reflects the commitment that the Hamilton Thunderbirds have in putting a winning product on the field. We feel that this group of ballplayers has the desire to win. We will definitely be playing a very aggressive style of baseball this season and will end up deeper in the playoffs this year."

- Adeo Calcagni, GM

"I'm looking forward to the upcoming season. We have lost some very talented veterans over the off-season but the Panthers executive has been working hard to rebuild where we have lost. With most of the core group back this season and the new guys that have signed on, we should have a strong enough group to be a serious contender this season for the title. It will be fun to see how everything unravels."

"We are really excited about rebuilding this franchise in Stratford. We plan to use young local talent and we are working closely with Stratford Minor Baseball Association to ensure that high quality senior ball returns to Stratford. Our goal this year is to be competitive throughout the entire season."

"We are looking forward to another season. Last year's playoff loss was very disappointing and we are looking forward to taking another run at the championship this year. We have a deep lineup of players that have been there before and look to use that experience to our advantage."

- Perry Mader, Manager
